CARTE POSTALE — POSTKARTE

Croagh Patrick 2,570 feet) stands in a commanding position on the southern shore of Clew Bay. It is famous alike as a pilgrimage and view-point, because it was from this summit that St. Patrick threw his bell from him, the sound of the ringing of which permanently banished the reptiles from Ireland. There is a chapel on the summit, which is a popular pilgrimage on St. Patrick's Day (March 17th).
